SCA Keeps School In Motion

The Student Cooperative Association functioned well as the foundation of all student life at NSH. Under the coordination of Mrs. Collins and Mrs. Jones, the Student Council sponsored several events throughout the year. Since many new clubs were organized, the Student Council assisted in establishing them. Much attention was placed on the importance of student body unity. The Council provided a student bus for the sports events at other schools. Other activities included the selling of mugs and sponsoring the Homecoming and Valentine festivities. Various assemblies were also held.

Future Homemakers Strengthen Family Circle

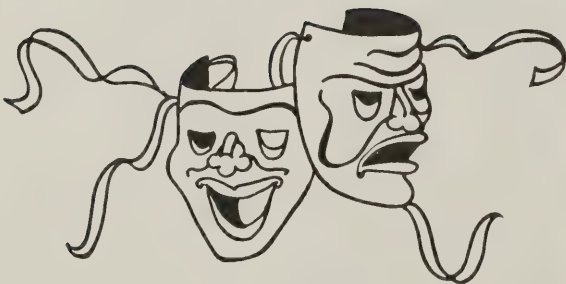

"Make Time Work for You" has been the main theme of the Future Homemakers of America at NSH. This year, the chapter included forty-five girls energetic to learn the skills of home-making. Membership degrees in the chapter included Junior, Chapter, and State Degrees. The degrees require that the girl hold many projects in this field and show an attitude in work worthy of recognition. NSH's chapter promoted three girls to the honor of holding office in the Longwood Federation. They were Kathy Bowlin, President; Rosa Lewis, Vice President; and Joan Ingram, Secretary.

Craftsmen Meet Trades and Industry

The Industrial Arts Club this year served the high school well as a functioning service club. The club provides a sound foundation for young men interested in entering vocational careers. Under the guidance of Mr. Charles Addison and Mr. Lewis Williamson, the young

men displayed their talents very well in the construction of several assigned projects. The club members also designed several items which were used in enhancing the appearance of the school.

Spectator Keeps NSH Guessing

Much time and effort was exerted in Nottoway's school newspaper, **The Spectator**. The advisors this year were Mrs. Cornelia DeBusk and Mr. J. Barrow Cyrus. Debbie Gunn, the Editor-in-Chief, as well as the others on the staff worked diligently in publishing several editions of **The Spectator** throughout the year. Staff members learned how to write well, while keeping the student body well informed as to the occurrences of each school day. In addition to events occurring at school, sports events were also covered. Also, each edition included a well-written editorial which attempted to establish guidelines for the students of NSH.

Cougars Gather Energy For The Spring To Victory

Extensive practice aided by the diligence of the coaches brought forth a hard fought but fruitful season. Butch Pomeroy and William Stith through their hard work obtained the honor of being all district players. Billy Ingram was rewarded with an honorable mention. The rest of the players worked in cold, rain, and sweat for the thrill of victory but took the agony of defeat in stride and practiced more for the next game.

Cougars Take Fifth

This past year was a year for improvement of the basketball Cougars of NSH. Practice started in November in preparation for the oncoming season. In December the Cougars began their season in victory and provided an excellent contrast with their immaculate new gymnasium. Under the superior instruction of their coach, Mr. Wayne Staples, the young men compiled a record deserving of fifth place in the district and guaranteeing them a berth in the district tournament. Two players, Winnie Moss and Edward Cheatham, were named to the All-District Team.

Two Cougarettes were named to the All-District Team. Cleo Branch, a junior, was named to First Team All-District, and Robin Moore, also a junior, was named to Second Team All-District. These two girls will serve as next year's co-captains.

... Extol Sports

The Girls' and Boys' Monogram Clubs are composed of those students earning a letter in varsity basketball, football, baseball, track, and cheerleading.

The girls promoted school spirit by selling booster buttons and programs at games, and the boys ran a concession stand. Monogram club members also encourage athletic participation and attend all home games and pep rallies.

To encourage good sportsmanship, the Girls' Monogram Club presents a sportsmanship award each year to one girl who has earned it. This consists of a trophy for the individual and her name engraved on a plaque in the trophy case.

Juniors Carry Off First Prom For Seniors

When the doors opened on the first Jr.-Sr. prom at NSH, upperclassmen and their guests walked into "A Shower of Stars". The gymnasium had been transformed into a wonderland of blue and white streamers speckled with countless silver stars, lights of the city glimmering in the distance, a fountain sparkling in the fragmented light.

A band called the Crossbows furnished lively music to wear out both the dancer and the shoes.

The Junior Class had spent weeks, dollars, and energy for this first grand occasion, and the result was a challenge to future Junior Classes.

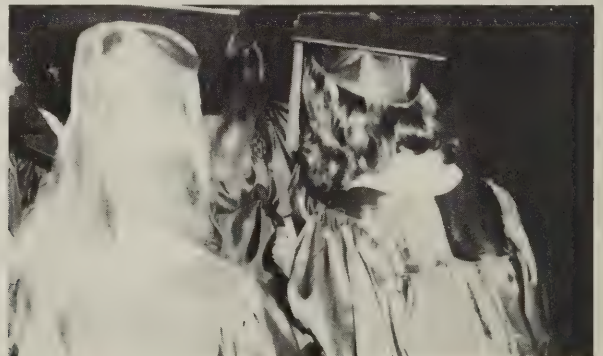

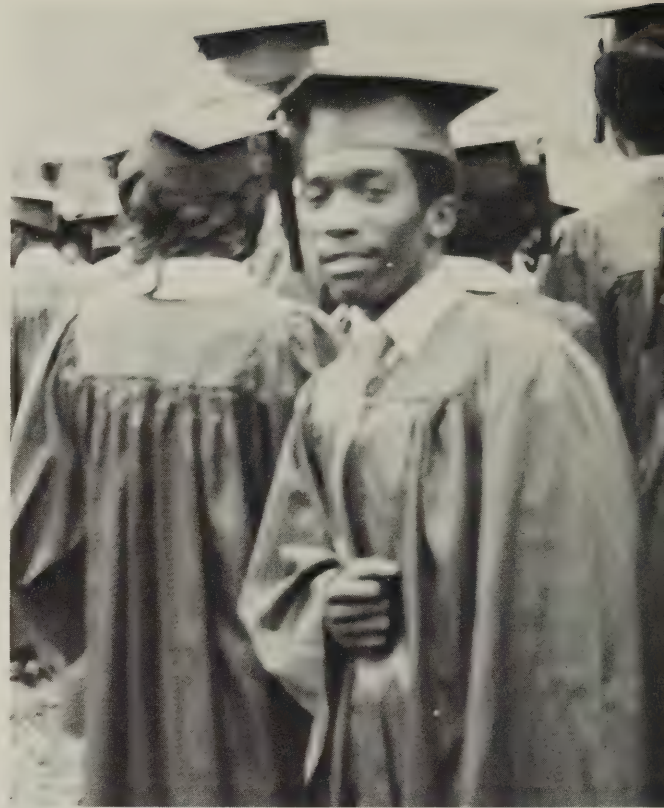

ABOVE: Joe Wilson, Donna VanArsdall, Orlando Marshall, and Rhonda Rather were chosen by the junior class to reign as Mr. and Miss Prom.

Graduation Exercises Give Seniors Hope And High Spirits

The members of the second graduating class of NSH gratefully received their diplomas with a smile and a handshake from Mr. Golubic and Mr. Cousins.

Speakers for the ceremonies at the Southside Electric Cooperative included Mr. Richard Lee, Chairman of the Nottoway School Board, Mr. Thomas W. Stafford, Superintendent, and Mr. C. S. Hooper, manager of the Southside Electric Cooperative.

Valedictorian Kathy Smart and Salutatorian Marcia Inge delivered inspiring speeches following some reflections by Orlander Marshall and a discourse on the class's accomplishments by Dennis Hawkes.
